Text: Philippians 1

### Highlight: What does the text say?

Philippians 1:3-4

Repeat: Prayer Praying

Theme: Joy, Thankful

### Explain: What does the text mean?

Paul is giving thanks for the church in Philippi. He is thankful for their obedience to Jesus. He wants them to know that he prays for them regularly. The church would have been super excited to read these words from Paul.

### Apply: The Text Impacting Me?

When people remind me of good memories together it brings me joy. I am encouraged when mentors and brothers tell me they are praying for me, especially when they pray for me regularly.

### Respond: How Will I Respond?

Thank God when filled with joy for other believers.  
Tell other believers when they bring joy to your heart  
Pray regularly for others in my faith family, mentors, and disciples.  
Tell those you are praying for so they will have joy too.
